TransVelo™ Biosafety Transport System

PRO-LAB DIAGNOSTICS offers a heavy-gauge biosafety transport system, available in a range of sizes to fit different pathology samples. Standard on all bags are a resealable grip-tight opening and an extra pouch for lab report cards to accompany the sample. Reports will not be contaminated if the specimen leaks.

Safety: there is no substitute

TransVelo™ is the standard in reliable specimen transport.

PRODUCT FEATURES

- Complete range of sizes to fit different pathology samples
- Resealable grip-tight opening
- Plain and custom-printed bags available
- Standard product supplied with biohazard warnings
- Extra pouch for lab report cards to accompany sample and will not be contaminated if specimen leaks
